

# I CAN ONLY IMAGINE 2

## CHURCH OUTREACH & PARTNERSHIP OPPORTUNITIES

### REACH YOUR COMMUNITY WITH I CAN ONLY IMAGINE 2

Pastors—we'd love to partner with you as you bring hope and healing to your community through the new film I CAN ONLY IMAGINE 2. Theater events are one of the simplest, most effective ways for your church to invite people who may never step into a church... but will come to a great movie.

### WHY CHURCHES USE THEATER EVENTS

- **Incredible outreach** — Your congregation naturally invites friends, family, and coworkers.
- **A familiar, non-threatening environment** — People are used to attending movies.
- **A ministry moment** — Churches can welcome attendees and invite them to take next steps.
- **Turnkey support** — We'll help with logistics, artwork, and tools to make this the easiest outreach you do all year.
